

Sled Riding Notice

Just a reminder that the Borough's liability insurance required some changes to be made last year in regards to sled riding in town.

All sled riding and similar activity is **totally prohibited in Wayne Square Park** (corner of Beaver Street and River Road).

Sled riding is permissible in Roosevelt Park, but with the following restrictions:

1. The activity must occur within the marked course only.
2. The participant must be a resident of the Borough of Beaver. The course is not open to use by non-residents.
3. The activity is prohibited after sunset.
4. The activity is prohibited when the course is closed because of dangerous conditions, such as ice patches and/or bare spots.
5. All posted signs (such as "Course Closed") must be obeyed.
6. Any child under the age of twelve (12) must wear a protective helmet.
7. Inner tubes and metal or plastic disks are not permitted on the course.

Beaver Borough thanks you for your cooperation.
